

Bowlacre Home Newsletter

Issue number 1

July 2004

This is the first of what will become a monthly issue in order to keep everyone (residents, families, staff & local people) in the picture with what is going on here at Bowlacre Home.

At the end of last month Mr Fred Hurst resigned as chairman of the committee as did Mr Hope as vice chairman. We owe them a big thank you for their past efforts – without Fred's guidance Bowlacre would not be the place it is now.

At this recent meeting Mr Bob Smith was elected as chairman & Mr Derek Munt as vice-chairman. Mrs Widdowson will continue as treasurer & Mrs Haughton will continue as secretary. We trust it will be 'business as normal' while Derek & Bob find their feet. We would ask everyone to continue with their support and help. If anyone has any queries or suggestions Bob & Derek and the committee will be pleased to hear from you.

Mrs Ann Irwin will continue to be the care manager with the residents well being as her prime responsibilities. There have been rumours of take-over & even closure – that is not the intention and it's very much 'business as normal'.

In the meantime Helen is busy organising the social events – look out for details on her board.

This is 'short and sweet' but we felt that everyone should be kept up to date so there are no rumours and everyone can feel secure. Derek & Bob will be round & about & hope to meet everyone over the coming weeks – if you have any questions please ask us. When we have more news look out for issue number 2.
